A TRIBUTE TO STEYN.

A TRIBUTE TO STEYN.

At likeonfunction the other day the Prince of Wales steed uneversed at the tomb of ex-President Steyn of the Orange Free State, and laid a wreath on the last resting place of a man who caused his countrymen to take arms in a quantization of the principle of

given. And he fought fairly, and quit when one issue was decided. Its people there is no linger-ing resentment among Britishers. If the Borrs have been treated generously they have splendfully shown that they were warriy of confidence. People in all parts of the Empire will like to fed that on this owners of the Empire will like to fed that on this owners of a kindly heart, or make a gesture of high politics, but that he gave expres-sion to a sentiment of chivalrous regard toward, a former adversary-which finds a response among British resoulce everwhere. British people everywhere

PLAYING FOR A COALITION

PLAYING FOR A COALITION.

When Saskatelewan electors go to the public of Treeday next they will have 120 candidates the public of the public o

The effect of this line-up is to change the iss the effect of this line-up is to change the iss the election from the record of the Government the question of future administration. It now a question of whether the Government not now a question of waster the Government is to be given a declaration of approval, but whether the Province is to be let in for a term of coalition government, of compromise, political bargaining, backscratching and all that usually goes with that kind of illogical and make-shift administra

n.

The Government being the one party of the see which stands for stabilizing, with a definite three which stands for stabilizing with a definite by known policy, its chances of success would seen to be materially improved by this disclosure of the aims of its opponents. That Saskatchewan electors have forgotten the hybrid that once held power at Ottawa under the name of the Union Government is not probable. Could they have forgotten that chapter in the history of the Dominion the chance of them setting up a similar to the country of the country

lar consumence.

In consumence is democits the condition that was true.

It was a construction to the condition that was to the consumence of the consumence

FIGURES VERSUS SOME OTHER FACTS

FIGURES VERSUS SOME OTHER FACTS.
Figures in not lie, but they are sensetimes made to present the same result. The esem state or committee of Parliament has been bouldwised with ratisficat ladies for a solid month, esting forth in wondrows and bewidering detail the operating costs, cargo records, carmings, profits and losses of ships under control of the Atlantic committee employed an auditor to sort and the figures of the property of the solid property of the forest of the figure of the forest of the figure of the

THE EDMONTON BULLE

If the shipping merger is never regulated until its traffic men fail to produce statistical proof that it does not need regulation, and is voluntarily holding rates down to the irreducible minimum, it will not be put under restriction in time for the present generation to get any benefit from the control arrangement. If the matter is left to them, the committee is quite liable to wind up by a resolution about the time of the producers of the country of the control of the producers of the country at little or no profit to itself and suggesting that Parliament should bound the conference instead of trying to break its monopoly powers.

suggesting that Parlament should bount the conrecence material of trying to break its monopoly
power and of spending time accountiating figures
which make confusion wore confounded, the
committee might take into account the facts which
on the require the services of an auditor or
depend upon the acquisesence of the shipping
companies bookkeepers. A responsible ality
owner has undertaken to establish a line of
an at rates centrolled by the Government, in
return for a house of definitely ascertainable
amount. The Government has anneumed that any
shipping company can do business with it on the
same terms. But there has been no rush of conference members to put their ships under the
same terms. But there has been no rush of conference members are not elamoning for
the privilege of operating under Government can
rol plus the house. That reason is that they are
never and carrying award of the privilege of operating under Government can
rely an experiment of the property of the privilege of operating under Government
they are fighting the Petersen contract because
they know that to meet the new competition they
would have to accept lower profits, whether
operating under the Government plan or outside
to. Those would seem to be all the facts needed
to. Those would seem to be all the facts needed
to. Those would seem to be all the facts needed
to decid whether the plan is workable and worth
while from the public standpoint.

Twenty Years Ago

MANNA WINS CLASSIC DERBY RIDDEN BY VETERAN DONOGHUE

Passes Winning Post Eight Full Lengths Ahead of a Field of 28 Runners-Is Sixth Time Steve Has Captured This Event.

EPSOM DOWNS. England, May 27—Manna, by Phalaria, out of Waffles, and owned by H. E. Morriss, won the Derby today. Stave Donoglue had the mount and passed the winning past full eights in advance of a field of 28 runners, winning for the sixth time this most highly covered of English uter classics. Bornoglue pushed his mount in front from the start and kept him there, even rounding the difficult Tattenham corner with such cases that he finished the mite and a half course pulling up while those behind him were using with past head.

Kan was second, and two lengths!
